You are cordially invited to a gala celebration of varied culture in our parish centre (Christ the King with St. Patrick and St. Brigid, Clay Cross), Saturday 5th November at 19.45. Headlining the night is legendary Irish Comedian **Jimmy Cricket**. **Kellys Heroes** will have your feet tapping with their array of Irish ballads , jigs and reels. We will also have displays of **Indian and Polish dancing/singing** from our parishioners and from Nottingham ,singer and songwriter **Louie Walsh**, will also be on stage.

Proceeds from the night are being sent to + **Bishop John Ryan** diocese of Mzuzu to purchase desks for the school in St. Monica parish in his diocese. We will also been sending school stationery, already collected from kind donations.

Fr. Edmond, Parish Priest said " *we are so delighted to have made a connection with a fellow catholic parish so far away and now we can furnish as many of our schoolrooms as possible from your night of shared culture. May God Bless and reward your Christian charity "*
